

WHAT IS EDULIX?

Edulix is a 225,000 member strong online community. It consists of scholars who either want to go to graduate school, or are already in graduate school, or have already completed graduate school. The central theme of this community is that, through crowd-generated wisdom and guidance, aspiring scholars can make it to the best graduate programs they possibly can.

HOW MUCH DO I NEED TO PAY?

Absolutely NOTHING. Don't they say the best things in the world are free. We understand students are not terribly rich. We never have and will never will make you pay to join us. In fact you will save money using our services. Look at what we've got for you!

EDULIX EXPRESS

We partnered with TNT and got you the fastest courier service in the country at the cheapest price ever. Use our secret code to get a huge discount on shipping your packets.

EDULIX INFOBANK

Look up an admit/reject table of applicants who applied to any of the hundreds of grad programs. Use that info to help you select programs that fit your profile.

EDULIX DEALS

Want to buy a laptop? Want to get a cell phone plan? Want to buy books? Buy from our partners and receive discounts.

Enter your profile and see which schools we think are the best for you. Our suggestions are based on profiles of past students. We try to suggest the best schools to you.

EDULIX FORUMS

Post your queries & get responses from other applicants & seniors in the US within minutes. MS, MBA, MIS, Architecture, Medicine and Life Sciences. All are welcome.

EDULIX BLOG

Learn about the experiences of students who applied to graduate school. Experience graduate school through their words even before you are there!

EDULIX CHAT

Late-night application anxiety? Feel bogged down by the humungous wordlist? Feel like you reached a dead end on your SOP. Worry not. There is somebody online you can speak to.

EDULIX MEETS

We are not all virtual! You can meet us too. Show up for one of the Edulix city meets we have and get to meet other graduate students and perhaps your future room-mates.

DID YOU KNOW?

US School Rankings are not everything.

You are not the only one who screwed up in your GRE.

Your GRE score isn't terribly important by itself after all. Your academics matter more.

We all think ETS is too expensive.

Stanford isn't impossible.

Graduate School life isn't all easy.

You need not buy long johns from India. Not even if your Mom forces you to.

Your Statement of Purpose need not start with a quote.

You can apply in the Spring Semester in many schools.

You can apply a notch higher than your counselor suggested you to.

Your counselor does not really care about your future. Research and make your own university lists. Write your own SOP.

Visa Interviewers aren't so scary. They are people too. You can talk normally to them.

You will miss simple things you took for granted at home when you are in the US.

You can take courses outside your department. Like a business course.

Research isn't scary. You learn how to go about it. You might even get a publication.

McDonalds isn't the best place to hang out in the US.! Neither a good place to eat.

Food in Indian restaurants in the US does not taste as good.

You can buy spices from Asian stores in the USA.

Edulix can be more addictive than Facebook.

You should be on Edulix already!
